## 50 AMP SHORE POWER CORDS & ACCESSORIES

HBL63CM60

HBL63CM61

### Hubbell 50 Amp 125 Volt Cable Ends

2 Pole, 3 wire, ship to shore cable ends. Nickel plated brass bodies have heat resistant thermoset interiors and combination metal and rubber cord grips, providing superior strain relief capability.

Order No	Mfg No	Type	List
114040	HBL63CM60	Female	\$160.00
114041	HBL63CM61	Male	\$141.83

HBL63CM64

HBL63CM65

### Hubbell Power Cable Ends 50 Amp 125/250 Volt

3 Pole, 4 wire, ship to shore cable ends. Nickel plated brass connector bodies have heat resistant thermoset interiors and combination metal and rubber cord grips, which provide superior strain relief capability.

Order No	Mfg No	List
114044	HBL63CM64	\$157.05
114043	HBL63CM65	\$138.58

## MARINCO

7715ELN

7717N

### Marinco 50A Cover

These covers fit both 50A 125V and 50A 125/250V Marinco shore power cord ends.

Order No	Mfg No	Type	List
277919	7715ELN	W/Threaded Ring	\$42.83
277920	7717N	W/O Threaded Ring	\$31.73

### Hubbell 50 Amp 125/250 Volt Dock-side Receptacle

Single receptacle has a heat resistant thermoset base.

Order No	Mfg No	List
114048	HBL63CM69	\$177.45

HBL77CM15

HBL77CM16

HBL77CM17

### Hubbell 50 Amp Cable End Covers

These covers fit both 50A 125V and 50A 125/250V Hubbell shore power cord ends.

Order No	Mfg No	Type	List
114046	HBL77CM15	Female	\$51.43
114047	HBL77CM16	Male	\$32.23
114021	HBL77CM17	For use with extension cords or adapters	\$32.80

## MARINCO

### Marinco 50 A Sealing Collar with Threaded Ring

Provides maximum moisture protection between cordset and adapter. Black LEXAN

Order No	Mfg No	List
121836	510R	\$20.68

HBL64CM54

### Hubbell "Y" Adapters

From (2) 30 Amp 125 Volt Female to (1) 50 Amp 125/250 Volt Plug

Order No	Mfg No	List
114069	HBL64CM54	\$373.50

## MARINCO

### 50A 125/250V Replacement Interior

Fits 50A 125/250V Easy Lock 4-wire stainless steel or standard inlets manufactured after 8-1-93.

Order No	Mfg No	List
352272	6373ELMB	\$154.90

### Hubbell 50 Amp 125/250 Volt Power Inlet

Chrome plated brass shore power inlet has a gasketed, self-closing cover to shield the interior from the elements when not in use. It is watertight when the cover is securely fastened. The mounting holes are 2-3/8" on centers, and the rear portion has a 2.171" diameter. Mounting screws and gasket are included.

Order No	Mfg No	List
114049	HBL504SS	\$273.65

### Hubbell YQ230 Intelligent "Y" Adapter

Safely powers a 50A, 125/250V boat from two 30A, 125V receptacles at dockside. Internal PC. Board senses that:

- Both plugs are fully engaged.
- The polarity of the 30A receptacle on the dock is correct.
- The two 30A receptacles are from opposite phases (i.e. there is a true 250V available instead of just 125V). Safety indicator light (on when safe operation is indicated). 4 pole connector breaks both hots and both neutrals to prevent possibility of "live" plug when not engaged.

Order No	Mfg No	List
114106	YQ230	\$669.50

### Hubbell 50 Amp, 125/250 Volt Lift Cover Plate

Yellow polycarbonate lift cover plate for weather-proofing #63CM69 receptacle. Meets the most stringent requirements of UL's Ongoing categories for weatherproof plates. Stainless steel screws and neoprene gaskets included for mounting to FS/FD type weatherproof boxes.

Order No	Mfg No	List
114098	HBL77CM74WO	\$78.00

## MARINCO

6364CRN

6365CRN

### Marinco 50 Amp 125V/250V, 3 Pole, 4 Wire Adapters

Order No	Mfg No	Type	List
277917	6364CRN	Female	\$147.75
277918	6365CRN	Male	\$132.68

### 50 & 100 AMP SHORE POWER CORDS & ACCESSORIES

HBL61CM71

#### Hubbell 50 Amp 125/250 Volt Adapters

Adapters do not provide overcurrent protection.

Adapters do not provide GFCI protection except HBL105GF

Order No	Mfg No	From	List
114065	HBL61CM71	Permits use of 30A 125V cable set, HBL61CM08, with HBL61CM71 50A 125/250V Twist-Lock receptacle, HBL63CM69.	\$291.80

#### Hubbell 50 Amp 125/250 Volt Cables

50' yellow vinyl jacketed shore power cable set, #6AWG, is completely factory pre-wired with molded-on devices. The connector end has a threaded sealing ring for making the inlet/connector interface water tight.

Order No	Mfg No	Color	List
114045	HBL61CM52	Yellow	\$998.20
114499	HBL61CM52W	White	\$998.20

#### Hubbell 50 Amp 125/250 Volt Cable With High Intensity LEDs

50' yellow vinyl jacketed shore power cable set, #6AWG, is completely factory pre-wired with molded-on devices. The connector end has a threaded sealing ring for making the inlet/connector interface water tight. Features two bright, durable, LEDs. GREEN indicates "power on" and RED indicates "incorrect wiring" at the power source.

High intensity LEDs are visible - even in bright sunlight. Totally molded design for superior waterproofing and durability.

Exclusive copper crimp barrel terminations for tighter connections and longer life.

Order No	Mfg No	List
114475	HBL61CM52LED	\$1,100.95

#### Hubbell 100 Amp 125/250 Volt Ship to Shore Cable Set

75' yellow, corrosion resistant shore power cable set. 105° C rated, 2 gauge, 2 pole 3 wire (no neutral), STOW cable with 3 pole 4 wire, 100A 125/250V plug and connector body for use on boats with an isolation transformer on board.

Order No	Mfg No	List
114314	CS75IT4	\$5,539.98

#### Hubbell 100 Amp 125/250 Volt Male Plug

Yellow Supertough® nylon watertight plug has gasketed locking ring to make plug/receptacle interface watertight. Cord grip range is 1.000-1.940".

Order No	Mfg No	List
114149	M4100P12	\$830.18

#### Hubbell YQ100 Reverse Y Adapter

Designed to work with vessels equipped for 100 Amp 125/250 Volt shore power systems with an isolation transformer on board (isolation transformer must be present for the YQ100PLUS to function properly). Allows the vessel to access two 50 Amp 125/250 Volt receptacles to achieve 100 amps, 250 Volts.

Allows the vessel to access a single 50 Amp 125/250 Volt receptacle as a single adapter to achieve 50 Amp 250 Volt power. The unused "B" leg will not be energized.

Order No	Mfg No	List
114397	YQ100PLUS	\$6,420.50

#### Hubbell 100 Amp 125/250 Volt Receptacle

Gray Supertough® nylon dockside receptacle has gasketed, springloaded cover which closes automatically when not in use and is watertight when securely fastened. Mounting holes are 4-7/8" on center. Mounting screws and gasket included.

Order No	Mfg No	List
114137	M4100R12	\$868.05

#### Hubbell 100 Amp 125/250 Volt Power Inlet

Gray Supertough® nylon shore power inlet has gasketed, springloaded cover which closes automatically when not in use and is watertight when securely fastened. Mounting holes are 4-7/8" on centers and rear portion has 3-15/16" diameter. Mounting screws and gasket included.

Order No	Mfg No	List
114130	M4100B12R	\$812.85

#### Hubbell 100 Amp 125/250 Volt Female Connector

Yellow Supertough® nylon watertight connector body has gasketed locking ring to make inlet/connector interface watertight. Cord grip range is 1.000-1.940". Note: This device mates with shore power inlet only.

Order No	Mfg No	List
114142	M4100C12R	\$870.35

## 100 AMP SHORE POWER CORDS & ACCESSORIES

### Hubbell Television Cable

50' Yellow jacketed ship-to-shore TV cable set is the industry standard 75 Ohm, RG59-U with male plugs on both ends. Adapter included for a quick, slip-on connection to the inlet on the boat.

Order No	Mfg No	Color	List
114016	TV99	Yellow	\$132.03

### Stainless Steel TV/Phone Inlet

Stylized type 316 stainless steel inlet provides telephone and cable TV connections in one unit. Easy to use push-button latch makes unit watertight when fully engaged. Mounting holes are 2-3/8" on centers and match existing mounting patterns. Mounting screws and gasket included.

Order No	Mfg No	List
114014	HBLPHTVSS	\$171.98

### Replacement Interior ONLY for TV/Phone inlets Nos. PH6594 & PH6574TV

This item fits only inlets for both TV and Phone, not Phone Only.

Order No	Mfg No	List
114096	CR16914	\$60.13

### Whitecap Blue Water Series Shore Cable Holder

304 stainless steel.  
Tube diameter: 1-1/4"  
Fits all standard shore power cables.  
Tube has 2 slots for multiple positioning  
Tight fit on all standard rod holders.

Order No	Mfg No	List
245091	S-6241	\$74.63

### International Dock Products Slim Line Dockside Electrical Pillars

- Dimensions: 6" x 6" x 36" (Height).
- Casing: Maximum four receptacles (6 poles).
- Extruded aluminum 6063 with 1/8" wall thickness. No seams.
- Welded base for extra strength.
- All stainless steel fasteners with nylon washers.
- Isolation plate to separate water, telephone and TV from "electrical" (completely waterproof).
- Each receptacle protected by a thermal magnetic circuit breaker.
- Marine grade electrical receptacles are available in 20 amp duplex GFI and 20, 30 & 50 amp twist-lock.
- Electrical distribution block - direct feed.
- Lenses for the lights are on three sides and are made of lexan.
- Cone top.
- Powder coated white inside and outside.
- 15 year unconditional warranty on structural integrity of casing.
- Listed by qualified testing agency.

Order No	Mfg No	List
150137	SPC-36-3A-300	\$1,529.99

### International Dock Products Piling Mounted Electrical Power Center

- Dimensions: 6" x 6" x 21" (Height).
- Casing: Maximum three receptacles (6 poles).
- Extruded aluminum 6063 with 1/8" wall thickness. No seams.
- All stainless steel fasteners with nylon washers.
- Each receptacle protected by a thermal magnetic circuit breaker.
- Marine grade electrical receptacles are available in 20 amp duplex GFI and 20, 30 & 50 amp twist-lock.
- Electrical distribution block - direct feed.
- Lenses for the lights are on three sides and are made of lexan.
- Thermo plastic receptacle covers.
- Cone top.
- Brackets for either round or square pilings.
- Powder coated white inside and outside.
- 15 year unconditional warranty on structural integrity of casing.
- Listed by qualified testing agency.
